

## Funeral Consumers Alliance of Greater Kansas City 2014 Area Survey of Funeral Home Prices

All prices were taken from the General Price Lists (GPLs) that funeral homes are required by the Federal Trade Commission to provide to consumers. Immediate burial prices include lowest-priced casket; standard funeral prices include lowest-priced casket and grave liners. Direct cremation includes alternate container, such as cardboard or fiberboard. (Cemetery costs are separate and not part of this survey.) Note: The first three columns, starting with Direct Cremation, represent the most fundamental options; the last three columns compare current standard funeral prices with 2012.
